and spill proof cup for babies  
who are eating •

Dear Parents,

Welcome to the infant room!

I know this is both an exciting time and a scary time as you prepare to leave your little sweetheart in the care of another person. Please know that we are praying for you and your baby, and are honored that you have chosen New Hope.

Your baby will need the list of items above, on the first day of school, along with a family picture for our classroom. Our licensing authorities prohibit blankets in the cribs, so please dress your baby warm if they tend to be cold. There is plenty of storage room in our classroom, so it is recommended that you send at least a couple dozen diapers, as our babies are changed frequently to prevent diaper rash. Please do not add any cereal or medication to pre-made bottles.

Welcome to New Hope, we are thrilled to have the opportunity to serve you and your family this year! Blessings!
